Ms. Janet Basco was the country's favourite representative in various International singing competitions, including the Tokyo Music Festival and the ASEAN Song Festival in Indonesia, among others. Aside from Australia, Janet has also performed all over the world, including Japan, the U.S.A., Norway, France, Italy, Egypt, United Arab Emirates, Dubai and South-east Asia.

She has also performed alongside the Philippines best singers: Martin Nievera, Gary Valenciano, the APO Hiking Society, Basil Valdez & Kuh Ledesma, to name just a few. Her most recent concert was a terrific team-up with two of the Philippine's most formidable singers, Ivy Violan and Dulce, entitled "Hearts in Season."

What makes Janet so special is her natural ability to sing most styles of music with such dignity. Watching Janet Basco performance you will enjoy a performer who always gives 110% every time with every song. She truly deserves every accolade bestowed upon her.

Don't miss this chance to see one of the Philippines' most experienced and endearing entertainers in this landmark show.

Make this your perfect Mother's day gift, that is truly memorable.
